

Next Generation Farm Summit

Learn how to make your farm a successful business at this **FREE** event

June 29, 2018

12:00 noon – 3:30 p.m.

J. Roy Houston Conservation Center
and Donohoe Center
214-218 Donohoe Road, Greensburg

Farmers and would-be farmers are encouraged to attend this event to learn about new trends and markets in agriculture. The event will feature a light lunch, short presentations and exhibits by industry representatives who can answer your questions about the next generation of farming.

Topics:

**Connecting with local businesses
who want your product**

Diversifying your growing

Local farming success stories

Controlled-environment agriculture

How to make high tunnels work on your land

Farm energy efficiency programs

And more!

The Next Generation Farm Summit will feature:

- AgChoice Farm Credit
 - Chatham University
 - Commonwealth Alternative Medical Options (CAMO)
 - Farm Service Agency
 - Natural Resources Conservation Service
 - PA Association for Sustainable Agriculture
 - PA Dept. of Agriculture & NE Equipment Dealers Assoc.
 - PA Veterans Farming Project / Troops to Tractors
 - Penn State Extension
 - Peoples Natural Gas
 - Republic Food Enterprise Center
 - Rural Development
 - Westmoreland Conservation District
 - Westmoreland Land Trust
 - Western PA Conservancy
- And local farmers with their own success stories!

There is no cost to attend, but advanced registration is required.

Return the registration form below or call Sandy Donovan at 724-837-5271.
